### Information you need to know:

- This bill covers all your usages outside your plan (like roaming or extra usage) and your monthly plan fee, either billed after use or in advance, depending on your selected plan.
- Your roaming charges might take up to 45 days to reflect on your next bill.
- If you have queries about the charges on your monthly bill, please contact us within 45 days from the bill date. All billing related claims or disputes will expire after 12 months of the bill issue date.
- Any payment which is made on your bill cycle day (1st or 15th of the month), will show on your next bill.
- To avoid service interruptions, please ensure full payment of this bill by the due date. Vodafone will exercise its right to disconnect and reuse any number that has been suspended for a period of 6 months due to non-payment of the bills.
- A 12 months minimum subscription period is required for Giga Home plans and Star Number promotion subscription. Penalty charges apply if you might migrate or disconnect before the commitment period ends.
- If you change your plan before renewal is passed, migration fee may apply. If you change your plan will lose the benefits of the earlier plan.
- All your billing and payment related notifications are sent to the notification number registered on our account. To find out or change it, check our notification number procedures contact us through chat deep link: <https://mva.qa/deeplink/chat>

### Bill Limit

You now have the ability to restrict the amount you pay on your monthly bill by applying a limit on top of your monthly plan fees. Once the limit is set, your usage and value-added services will not exceed the set amount. This can be applied per mobile number and your bill will show the last limit that was set before the billing period. You can manage your bill limits by visiting the My Vodafone App or by dialing \*100#

### Credit Limit

Vodafone sets a default credit limit on your account and all postpaid services attached to the account will be subject to this limit. The credit limit will restrict the use or purchase of services such as out of bundle voice calls, mobile data, SMS or any Value-Added Services once this limit is reached. The credit limit will not stop any billing for your monthly recurring charges such: plan fees, add-ons etc. Should the billed amount exceed the set credit limit, you are still obliged to pay the full amount due for all charges incurred.
