Bill Limit

You now have the ability to restrict the amount you pay on your monthly bill by applying a limit on top of your monthly plan fees. Once the limit is set, your usage, add-ons, and value added services will not exceed the set amount. This can be applied per mobile number and your bill will show the last limit that was set before the billing period. You can manage your bill limits by visiting the My Vodafone App or by dialling *100#

Credit Limit

Vodafone sets a default credit limit on your account and all postpaid services attached to the account will be subject to this limit. The credit limit will restrict the use or purchase of services such as out of bundle voice calls, mobile data, SMS or any Value Added Services once this limit is reached. The credit limit will not stop any billing for your monthly recurring charges such: plan fees, add-ons etc. Should the billed amount exceed the set credit limit, you are still obliged to pay the full amount due for all charges incurred.
