Tax is not included

Payment terms at rental:

- 100% in advance by bank transfer.

Freight carrier insurance:

The client herewith takes out a freight carrier liability insurance, which covers insurance claims up to an amount of damage of 4000 euros per case.

Please inform us 1 to 2 days before the contract begins about insurance values which will not be covered by 4000 euros to increase the coverage at an additional charge.

We do not assume liability for possible damage due to driving within the building or propping up on the building with our vehicles.

Assignment terms for equipment with operator:

Per assignment, a working time of usually 8 hours is charged. According to prior agreement with the operator, it can be increased to 10 hours. A working day for equipment with operator consists of three 8-hour shifts.

For working times beyond the usual day shifts, the following premiums are additionally charged:

- Night premium of 75 % between 8 PM to 7 AM
- Saturday/overtime premium of 25 %
- Sunday premium of 100 %
- Holiday premium of 150 %
